PETITION TO INTERVENE

NOW COMES Gregory and Theresa Pearce to petition to intervene and be made an active party in the above captioned proceeding, pursuant to the Rules of Practice of the Illinois Commerce Commission, 83 ILL. Adm Code §200.200. In support thereof, Gregory and Theresa Pearce state as follows:

1. Petitioners are homeowners residing in Sangamon County Illinois, and have an interest in the real estate in the proposed Illinois Rivers Transmission Line primary route. This transmission line will dramatically reduce the quality of life, decrease our property value and increase health risks for our family.
2. As affected property owners, we have an interest in and will be affected by any decision of the Commission in this proceeding.
3. Petitioners seek to offer data in support of alternate routes that are less disruptive to the quality of life and have less impact on residents than the primary route proposed by Ameren.
4. Gregory and Theresa Pearce agree to accept service in this proceeding by electronic means and requests that we may be added to the service list:
